# KITE CSE NEWSLETTER

THE OFFICIAL NEWSLETTER OF KG-KITE CSE STUDENTS

### INTRODUCTION

Department Computer The of Science at KiTE offers a unique opportunity educational for students to achieve excellence through classes, rigorous practical sessions and participation research. Our course provides skills essential to practice engineering as professionals.

To excel in leadership, management, planning, career and organizing. Finally, it is one of the main objective to promote passion among the students for what we do and thus students comprehend that we also have the desire and continue to learn.

## A Message from Editorial Board

The editorial board is extremely thankful to **Dr.** Lakshmaman D, The Principal who has been a great source of strength and caring to fulfill our needs. He is magnanimous and extend his entire support in every step of our work.

We would like to place on record our sincere thanks to **Dr. Pasumpon Pandian, The Head of the Department,**Department of Computer Science and Engineering, One who bestowed his immense support.

We also thank the students for their rich contributions which would really encourage us all. We also extend our credits to Solomon Raj A and Sowmyanarayanan R of Third Year B.E CSE for helping us in putting together a factual newsletter.

# Vision and Mission statements of the Department of Computer Science and Engineering

#### **Vision**

 To promote industry embedded education, there by creating computer science Professionals with exceptional intellectual skills that has a transformative impact on the society.

#### **Mission**

- To inculcate a remarkable behavioral traits and industry embedded research, leading to face uncomfortable struggle.
- To foster the spirit of deep enquiry and imagination among students by bringing the curiosity to come up with innovative ideas for well-being of the society.
- To fasten with individuals and organizations for realizing supreme potential for solving real-world problems.

## **About The Department:**

- At KGiSL, CSE department is committed to develop young minds to make creative engineers in industries, business and to play a positive and useful role in social transformation.
- Our department offers its students the very best exposure in terms of technology, infrastructure and resources.
- The college lays great emphasis on Industry-Embedded quality education. Its unique learning approach is designed to contribute significantly to the growth and development of each and every student.
- CSE department has been in the forefront in recognizing the needs of the industry and integrating knowledge with professional inputs.
- The final goal is achieved through our unyielding efforts to enhance Quality in Industry Embedded Education, Research and Diversity in order to serve the society at large.
