5.3. Organizational Chart

5.4. Student feedback mechanism on Institutional Governance/faculty performance.

- The instructor clearly explains the concepts
- The instructor encourages me to raise questions
- The instructor helps me in doing the experiments through a set of instructions/demonstrations
- The instructor is available in the laboratory for the entire duration of the laboratory class
- The instructor is available on an individual basis outside the class on request
- Adequate equipment is available in working condition in the laboratory
- The required consumables and tools are provided to me for carrying out the experiments
- The laboratory class has increased my interest in this field of study
- The instructor regularly checks the observation and record note books and gives his/her feedback
- The marks given for observation/record/test accurately assess what I have learnt in this course
- I prepare for the lab experiment and write the observation note book before the commencement of the laboratory
- I attend the classes regularly and submit the record in time

5.5. Grievance Redressal Mechanism for faculty, staff and students.

System for Redressal of grievances of faculty, staff and students

The management of the college follows an open system of administration and grievances from staff and students are given the utmost attention.

Complaints and suggestion boxes are kept at a number of places in the campus and also in the hostels.

The suggestions and complaints are carefully looked into and remedial measures undertaken. Responses are also publicized through notice boards.

In case of indiscipline, a committee appointed by the principal enquires into the matter by calling witnesses and recommendations are made about the action to be taken by the management.

Grievances regarding the staff in terms of salary, promotions etc., are carefully looked into by the HR department in consultation with the Principal and remedial measures taken.

Class Committee meetings are held in which grievances of students are taken note of and remedial measures taken.

A student welfare officer looks into the welfare of the students and advises the management for necessary action.

5.6. Establishment of Anti-Ragging Committee.
