Respected Sir,

**Subject:** Request for approval to conduct Seminar on "Design Thinking, Critical Thinking & Innovation Design"-Reg.

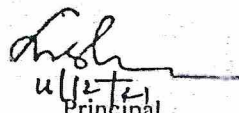

Respected Sir,

The Electronics and Communication Engineering department of KGiSL Institute of Technology has planned to organize Seminar on "Design Thinking, Critical Thinking & Innovation Design" on 20.12.2021. The programme focuses on the significance of "design thinking and communication engineering. Through this session, the students will get a clear understanding on how to think logically by giving solution to real world problem and how it paves the way for sustainable development.

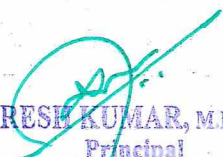

Thank You,

  
The Co-ordinator,  
Mr. K. SivaPrakash AP/ECE.

### CHIEF GUEST PROFILE

**Name of the resource person:** E. Shanthini

**Designation** : Assistant Professor (Sl.G), Department of ECE,  
Sri Ramakrishna Engineering College, Coimbatore.

**Experience** : 13.5 years of industrial experience in PCB designing and PCB CAM  
7+ years of teaching experience.

In industry, she has designed multi-layer boards (up to 10 layers) in Cadence Allegro, Orcad. Done many CAM projects in CAM350 and Genesis. Experience in high speed, Analog and Digital over split-planes, wireless, memory and power supplies. She has the ability to manage the team, to formulate and implement innovative initiatives to achieve high productivity. In academics, she has presented 6 papers in National Conference, 4 papers in International Conference and published 9 papers in International journal. She has received funds for the “Modernization of Microprocessor / Microcontroller laboratory for IoT Applications” under the scheme MODROBS from AICTE. She completed four consultancy projects for industries. She has acted as a resource person in many Value Added Courses. She is a reviewer of International Journal. She has obtained a patent in the area of Embedded Systems from the Government of India. Attended many FDP, Seminars, Workshops, STC and Conferences. She has guided many undergraduate and postgraduate engineering projects. Her areas of interest are Microprocessor and Microcontroller, Embedded Systems and Augmented Reality and Virtual Reality. She has also signed a MoU in the field of Virtual Reality with IFFEN, France.

## PROGRAMME REPORT

**Name of the Program** : “Design Thinking Critical Thinking and Innovation Design”  
**Name of the Resource Person** : E Shanthini, Assistant Professor (SI.G), ECE Department,  
Sri Ramakrishna Engineering College, Coimbatore  
**Date** : 20.12.2021  
**Time** : 1.00 pm-3.00 pm  
**No of Participants** : 156

The Department of Electronics and Communication Engineering Organizing Committee has conducted an Expert Lecture on “**Design Thinking Critical Thinking and Innovation Design**” on 20.12.2021. E Shanthini handled the session and delivered intensely about the importance of Design Thinking Critical Thinking and Innovation Design. The students II, III year and IV year ECE has attended and benefited. The Programme focused on promoting creative and innovative thinking. The function formally started with the prayer song. Dr. C. Venkatesh, HOD of ECE Department welcomed the gathering and commenced the program with his remarkable welcome address. He also stated the significance of “design thinking and communication engineering. He requested the Principal to share his valuable knowledge with the students. Following the welcome address our principal Dr. Selvam M shared his knowledge on Creativity that can greatly enhance an engineer’s ability to develop new ideas and improve old ones. Chief Guest Ms. Shanthini E, Assistant Professor, Sri Ramakrishna Engineering College, Coimbatore delivered the lecture followed by vote of thanks was proposed by the Programme Coordinator, Mr.Siva Prakash with full gratitude.

### **Programme Outcome:**

From the seminar, students will be able to know how to improve design thinking, critical thinking and innovation design as Engineers are constantly designing new ideas and concepts to overcome problems. Also, the Education is crucial to promoting the creative and innovative thinking of engineering students, but many of them do not display abilities in creative problem solving. The presenter used the website www.menti.com to communicate with the students in an efficient manner. She spoke about EAST (Empathize, Analysis, Solve, and Test) and how to implement them and get an effective solution.
