Points Discussed:

- The honorable Principal welcomed all the members of the committee and requested to give their valuable suggestions and advice for the development of the SC/ST students.
- The principal presented a few slides on how the college takes a special interest in helping students these in obtaining financial aid from government organisations and other sources.
- Also he advised to plan orientation programmes that will empower them and provide them with the necessary information they need to make a professional decision.
- It was decided to educate the students about the SC/ST reservations policy, which is implemented in the institute in accordance with the Indian Government Policy.
- To monitor and implement consistently the reservation policy and programmes of the state and central governments to provide special input in areas where the students experience difficulties.
