

DEPARTMENT ACTIVITIES

The B.Tech IT department organized **Pit Stop**, a placement initiative, on **11.04.2022**. Our alumni **Mr. Venkatachalam M** (Data Crawling Consultant, Ugam Solutions) and **Ms. Saadhana S** (Freelance Developer & Bike Enthusiast) shared valuable career insights with pre-final and final year students, motivating them with their industry experiences.

The Department of IT, CSE, ECE have organized a placement training camp scheduled for one week from 23.05.2022 to 26.05.2022 coordinated by Ms.Sruthi Mol P AP/IT Department of Information Technology and Ms.Aruna T N AP/CSE Department of Computer Science Engineering. Students are proactively participating in the training session with great enthusiasm and interest. This camp will pave the way for the students to start their career and to shine in their own way.
