

Students Participate in Euphoria '25 at PSG College of Arts & Science

Students of III Year IT - Pradeep S, Gautham S, Sanjay J, Sri Sanjay S, and Narasimma R - from KGiSL Institute of Technology participated in the Technical Quiz event at Euphoria '25, an inter-collegiate fine art, literary, and cultural fest organized by Manavar Manram (SF) at PSG College of Arts & Science, Coimbatore, on 21st March 2025. Their involvement reflected active academic engagement and interest in technical events beyond the classroom

Student Achievement Spotlight

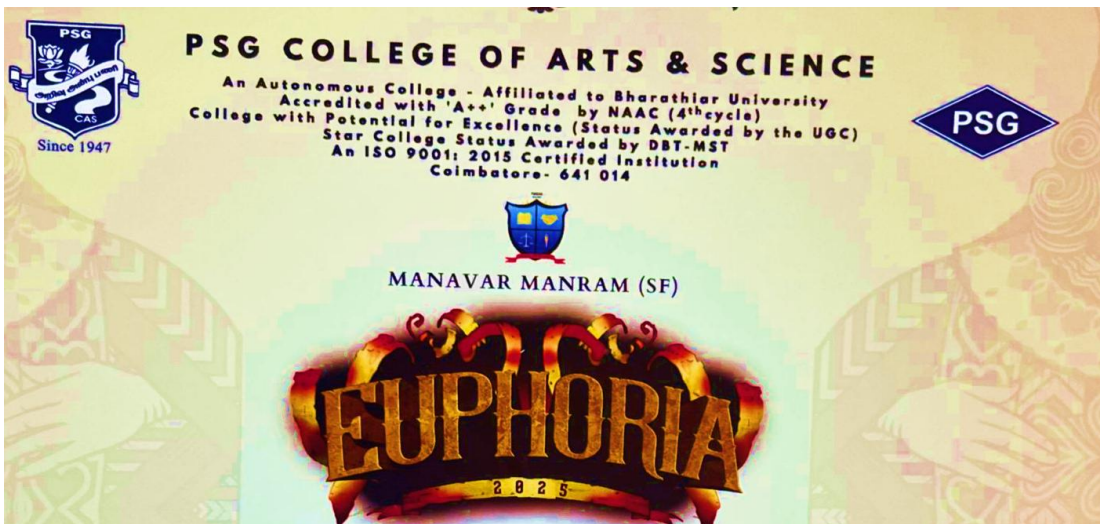

Migavel D, a third-year IT student from KGiSL Institute of Technology, along with his team Co Existence Tech Patrols, proudly secured the 2nd Runner-Up position in the prestigious HA CKATHON 2.5 held at Sri Ramakrishna Engineering College. The event was organized in collaboration with the Tamil Nadu Forest Department, Coimbatore Forest Division.

The team was awarded a cash prize of ₹10,000 for their innovative tech solution aimed at wildlife and forest protection, showcasing their commitment to sustainable technology and environmental conservation.

Congratulations to Migavel and team on this remarkable achievement!

Honoring Excellence: Dr. Rajasekaran S and Mr. Joel Anandraj E Recognized for Contributions to IPS Tech Community

Dr. Rajasekaran S (ASP/IT) and Mr. Joel Anandraj E (AP/IT), distinguished faculty members of KGiSL Institute of Technology, have been honored for their invaluable and longstanding contributions to the IPS Tech Community.

Their dedication, mentorship, and consistent efforts have significantly contributed to the advancement of technology and innovation within the institution and the wider academic network. The KiTE community extends heartfelt congratulations on this well-earned recognition!

Faculty Achievement: Mrs. Jeevitha T. Shines in International Conference and Mentorship Role

Mrs. Jeevitha T., Assistant Professor, Department of IT, KGiSL Institute of Technology, has been recognized for her exemplary contributions in both academic and mentorship domains. She presented at the One Day International Conference on Industry 5.0, held on 26th March 2025, organized by the Department of MBA, Sankara College of Science & Commerce. The event focused on human-centric innovation and sustainable transformation, aligning with the evolving vision of Industry 5.0.

In addition, she received a Certificate of Appreciation from PPG Institute of Technology for her role as a mentor during the Project Pitch Deck - 2025 at the Techno Kreaticon Phase-II event. Her guidance and support played a vital role in enhancing the professional growth of her mentees. The KiTE community congratulates Mrs. Jeevitha T. for her outstanding achievements and continued dedication to academic excellence.
